September Newsletter

Dear Parents & Students,

We are pleased to announce all workbooks for assigned courses are finally in. Activities are being held as planned, despite the fact a number of our International Students have not arrived. We will ensure everyone is prepared.

Homecoming was a fun day. At the moment, we are conducting preliminary emergency measures and will have our first fire drill this week. First Assembly is deferred for next week PG. A raffle is planned, AND we hope to recruit Student representatives from Secondary 4 & 5. They will work with the Administration for suggestions regarding other social activities.

Important Upcoming events.
